

**Research paper requirement for submission of a PhD thesis**  
**Department of Mathematics, University of Delhi**

A Ph.D. scholar should publish at least TWO research papers in journals which are SCIE Journals and which do not have mandatory Article Processing Charges (APC). Out of these two SCIE Journal Publications, at least one of them should be abstracted / indexed in the MathSciNet. Documentary evidence of the same duly attested by the supervisor must be submitted. This will be effective from 2023- 24 batch.
