Dear Sir/Madam

We hope this message finds you well. We are reaching out to formally extend an exclusive opportunity for your college students to participate in a Free Online Space Internship Program offered by **Agnirva Space Community** - an ISRO Registered Space Tutor, inaugurated by IN-SPACE.

This internship spans 8 weeks, with 440 steps and ~80 hours worth of learning and students earn an internship completion certificate. This internship is applicable to students from all disciplines - nursing, arts, engineering, medical, commerce - because future advancements in the space sector will impact all professions.

Regards,
Anindita Debbarma | Product Marketing Associate
